

Bibliography on Case Study Teaching in Science

Nancy A. Schiller and Clyde F. Herreid
National Center for Case Study Teaching in Science
University at Buffalo, State University of New York

Last updated: April 9, 2021

This bibliography provides references to journal articles, books, book chapters, and dissertations organized below into sections for each of these types of literature. In addition, within the section on journal articles, there are subsections for writing cases, teaching with cases, leading case discussions, etc.
